In Govt. Ro: no. 3597-601 / R 1173 of 31st Oct. 1900, sanction was accorded to the grant of 10 acres of land under the Chennarayanakatte in the Yedatore taluk, free of upset price, for the benefit of the Srinivasa Mandiram and charities.

I beg respectfully to adhere to my views already expressed in this case. I am sure that the Builder, in the midst of his multifarious duties, will not be able to get this work satisfactorily done, and there will be constant complaints from Mr. Gopala Charlu.

The Srinivasa Mandiram and Charities,

Bangalore, 9th October 1906.

E. Ananthasawmi Row, Esq., B.A.,

Secretary to Government of His Highness the Maharaja of Mysore,

Muzuroi Department, Bangalore City.

Sir,

In submitting herewith copies of the two gutta documents duly registered, etc., for your kind information re. the lands granted to the Mandiram, at Mirle in the Yedatore Taluk, Mysore District, I beg to state that you will please note therefrom that the Mandiram, is entitled to recover the gutta this year, from the parties named in the documents.

My first visit to Mirle, to take possession of these lands and to arrange for their cultivation, cost me nearly Rs. 100/- The work of the Mandiram, is such that my presence is always necessary at Bangalore. Besides it is well-known to you that I am working single-handed and am without a lieutenant to whom I could entrust any responsible work. I am sorry I am not in a position to depute therefore any person who would go to Mirle, and recover the paddy from the ryots concerned. If I attempted to go myself, the cost will be great, and there will not be left much on which the Mandiram can depend for its maintenance. The Government has conferred on many a Muzuroi Institution, the concession of collecting its rents and produce, etc., and I humbly pray that such concession may also be shown to the Mandiram, by instructing the Amildar of Yedatore, through the Deputy Commissioner of Mysore, to recover the gutta paddy and to forward the same to Bangalore, after deducting the cost incurred for cartage, trainage, etc on such account.

As for the payment of Kandayam, I have already petitioned the Revenue Deputy Commissioner to grant the Mandiram, the benefits of the rules for endowments of lands to Chattrams, etc., by fixing a jodi. The petition is under consideration and I am sure it may also come to

you

you in due course for information and support. I also request the Amildar may be instructed to lease out Survey No.1168 to some ryot for which I have not been able to find out a cultivator.

I beg leave to remain,

Sir,

Your most obedient servant,

C. Gluckadas.

My Dear Sir,

The harvest time is very near the paddy will be reaped. If delayed, I will not be able to get any brokers, as you know what work of people over the Mirâs myths. I shall therefore feel much indebted if you can kindly issue immediate orders to the Sy. Commr., Mayaveram, for recovering the paddy in time from the Mirâs lands granted to the Mandiram holding.

I am, Yours very truly,
A. Chetty.

To

L. Ananthasawmi Rao, Esq., B.A.,
Secretary to Government of Mysore,
Muzurai Department, Bangalore.

Sir,

Your kind Endorsement No. 2455 dated 8th Novr'06.

I am very sorry that the unsatisfactory management of certain temple lands elsewhere, should have been a cause for your refusal to come to my aid, in the matter of the Mandiram Charities. I respectfully beg to submit, that the Taluk Officers will have no sort of difficulty whatever in recovering the Gutta, from the ryots named in the statement submitted to you with my petition, dated 31st October 1906. In other cases, the Taluk authorities were required to do everything; the lands being uncultivated plots. They had to find out ryots, they had coax them to take up the lands, they had to supervise the cultivation; and to do all else, that was necessary to secure a crop. But here the circumstances of the Mandiram are quite different. The lands are cultivated, the ryots concerned are well-to-do persons, they have all executed duly registered documents to the effect that they will give three candies of paddy every year per acre for a period of 7 years, commencing from this year, and the Amildar has simply to issue an order to the Shekdhar, to recover the gutta paddy, as per documents they have executed, and nothing more. Only one plot about 30 guntas is uncultivated. If it is a matter of great trouble to the Amildar to find out a cultivating ryot for this, then it will be a matter for me later on to attend to, and shall not trouble you on the subject.

2. I assure you that amidst my several engagements here and the important work that is looking at my face in making a beginn ng for the construction of orphan quarters, etc., and looking to the heavy cost the institution will be put to, if I should go to Yedatore myself, I am forced to seek your co-operation and help againt the opinion you have already expressed in the matter. Pray pardon me. I only solicit you will reconsider and submit this petition for fresh and favourable orders. Very reluctantly and under unavoidable circumstances, I am petitioning you on the subject again.

I remain, Sir,

Your most obedient servant,

A. J. Thalaghanders.
